BUSINESS DESCRIPTION

My Sport Space is a one stop, mobile platform with two portals (Customers and Facilities):

- **Customers (individuals, teams, organizations)** - App based bookings of facilities for all major sports for their practice, game or event.
- **Facilities** - Ability to manage their rentable areas with simple, profit-maximizing efficiency through a fully automated reservation and billing system, market those areas to the public, and accept online reservations and payments.

Manage rental

- Reschedule, cancel and pay via app
- View reservation history and space assignment in the App

ABOUT US

We started a basketball program in 2007 and were frustrated by how hard it was to find a place to practice. Unanswered calls and emails, double bookings - a real hassle! In 2017, we opened a facility and learned firsthand how difficult it is to schedule and manage a facility. We knew there had to be a better way, so we started My Sport Space!
